**“I Know the Plans I Have for You”**

**Children’s and Youth Programme**

## **PREPARATION**

This programme is designed for children ages 5 to 12, and youths ages 13 to 18. There are several activities for each group, please read the full programme to plan accordingly. Also, please note that some of the activities may require preparation.

It is recommended that the Leaders for the Children’s and Youth Programmes familiarise themselves with the Bible Study and Country Background beforehand.

**THEME:** “I Know the Plans I Have for You”, based on Jeremiah 29:1-14 (New Century Bible), which for the Children’s and Youth programme carries the message that God is always with them, and God gives us hope at all times:

- when we are happy or sad or in between
- when bad things happen to us
- in times of change, disappointments and loss
- at times of joy and celebration

### **Children’s Programme for Ages 5 – 12**

**For the Leader:** *Talk to the children about how we find out about what has happened during the day. Ask them for suggestions (ex: radio, newspapers, television, friends, school, etc.). Maybe have one or two newspapers to look at.*

All these things tell us what happened yesterday or what happened last week. The Bible has stories that happened in the past. Our story today is based on what the prophet Jeremiah told the people of Judah after they had to leave their land. They were sad and the job of the prophet was to keep the hope for the future, a future that is for God to give them.

**‘I have good plans for you, not plans to hurt you. I will give you hope and a good future....And I will bring you back from your captivity.... And I will bring you back to this place.** (Jeremiah 29:11-14).

We trust that God has plans for all of us and we know that we should hope for a good future.

*Encourage the children to talk about what they would hope to do, where they would hope to go, what they think God may have planned for them.*

Use the Postcard template for them to draw or write **‘My hopes are....’**

or **‘He’s got the Whole World in His Hands’**

**Leader:** There are some times when we have to do things we don’t want to do, or go places that we don’t want to go and say goodbye to friends. These could be times when we are sad and unhappy. This is the story of a young girl who has come to England from a long way away.

**Anisa’s story:** (Important note: *This could be dramatized or mimed as it is read, but this is at the discretion of the leader who should be sensitive to the children’s individual situations.*)

**Leader:** Have you ever been somewhere where you didn’t know many people? What did that feel like? Sometimes people have to leave their homes to go somewhere for safety. They may become refugees like Anisa. This is her story:

**Anisa:** *'My name is Anisa. I am 5 years old and I live in England now, but I came from Iran. My mummy, daddy and me came here in the back of a very large truck. We had to hide behind lots of big crates and be very quiet. We had to leave our country because there were people there who seemed very angry at us and made us feel frightened. Even mummy and daddy were scared and said we would have to leave home and go away. I cried and didn't want to go, but mummy told me that God would help us and keep us safe.'*

**Leader:** What thing would **you** miss more than anything else if you had to leave your home?

**Anisa:** *'The journey was so long and we were very tired and uncomfortable. There was another family with us too, and we were often sick. We were hungry and thirsty. I tried not to cry, but I missed my own home and my doll that I loved very much. It was dark and very cold when we climbed out of the truck. We only had the clothes we were wearing. My daddy carried me across a field and along a road. I know that mummy was very frightened and I was too. I don't remember where we fell asleep the first night here. Everything seems very muddled now.'*

**Leader:** What do you think it would feel like not to have a home or friends? How important is it to have a friend? How can **you** be a good friend to someone – maybe someone new to your school?

**Anisa:** *'We have lived in different places until we got to this town. Now we have a rented flat and I go to primary school. This is where I met Susan. I was learning English and we could talk. She became my friend. She knew that I was feeling sad and scared. I was always feeling cold and hungry. Susan told her grandma about me. Her grandma went to her church and they contacted another church where many Iranians met together. They came and brought us some more clothes, bedding and some toys for me! My favourite is a baby doll with knitted clothes that Susan's grandma gave me.'*

**Leader:** So many small things can make a very big difference, can't they? God will always give you something to hope for and changes will happen.

**Anisa:** *'I am so happy to live here now. My daddy has got a job and my mummy is studying at the local college because she wants to be a nurse. Now I am glad that we came here - even though we still miss our first home and my family there. Now I know that God had a plan for us.'*

**Leader:** We know that there are many people from many different countries who are trying to find a new home, sometimes far away from their own country. They have to travel on long dangerous journeys and say goodbye to their families and friends. They want freedom and safety and God will give them hope for the future.

### **Prayer Ideas:**

Use **one or more** of these ideas to share the children's prayers:

- **PRAISE:** Use a sheet or length of fabric as a 'parachute'. All the children hold an edge of the fabric and raise it together saying:  
**We lift our thanks to you! We thank you for.....**and go round each child as they say something they are thankful for, as they lift the 'parachute' each time.
- With the children sitting around in a circle, pass a stone around. As each child holds the stone they are asked to think of something they may need to say **SORRY** for and ask God to forgive them.
- **HOPSCOTCH PRAYERS:** Draw out a grid with numbers 1 – 6 on the ground. Use a pebble or stone to throw into each number in turn. When it lands, the child must hop to each number in turn and on the number with the pebble pray for the corresponding topic:
  1. Thanks: Say thank you to God for one thing today.
  2. Sorry/Forgiveness: Is there something the child needs to say sorry to God for and ask for forgiveness? For wrong words, actions or even attitude?
  3. Please: Think of the people of England, Wales and Northern Ireland and ask God to bless them, especially the children and the young people there today.
  4. Thanks: Think of two more things to be thankful for....
  5. Please: A prayer for their own family and friends today.
  6. Hope: Think of something they would hope for in the future.

Conclude with: **Dear God, we thank you for keeping Anisa safe and giving her and her family a happy future. We pray for all the many children who have had to leave their homes and travel to new places to feel safe. Watch over them when they are sad or frightened and give them hope. We are sorry for the times when we have done things we know are wrong, the times when we have upset others by saying or doing things that are unkind. Thank you that, like a loving father and mother, you forgive us and help us to forgive others. Thank you that you give us hope for the future. Amen.**

### **Craft Activities:**

- Colour the flags of England, Wales and Northern Ireland.
- Paint or decorate a stone. If the stone is large enough, then a message can be written, such as HOPE, LOVE, JOY or PEACE.
- Draw or use the large heart shape on card or paper, with a smaller heart shape in the centre. Decorate around it by gluing things on, painting/colouring patterns or thumb-printing. In the centre heart write your message, as above or GOD LOVES YOU.
- For the older children: Use the template and instructions to make a woven paper heart bag. (*A few sweets could be put inside.*)

The children might choose to give their decorated items to someone as a sign of God's love to them. God needs us to pass the messages on, as the prophets did.

### **Games:**

Trust games: Sometimes it is hard to put our trust in God! We have to let go of our own fear and let God lead us. Have a go at any of these games:

1. Catch me! One person leans backwards, letting themselves fall, trusting that their friend will catch them. Try not to take a step backwards! (*For safety, an adult should be close at hand to respond if necessary.*)
2. Obstacle course: Set up a simple obstacle course using whatever you have on hand. It can be around, under and over furniture, people, play equipment or natural obstacles outside. In pairs, one person is blindfolded and the other has to call out directions to guide their partner around the course. Then switch over so that they each have a turn at guiding or listening and following instructions.
3. Lap sitting: All stand in a circle facing the same direction to the left or right, close together. At the count of three, all sit down on the lap of the person behind. Keep your hands free! This is possible with large groups of people, but the secret is in sitting slowly and gently together. Don't panic! It is also important to be in a perfect circle to begin.
4. With all sitting in a circle, go round the circle fast, speaking the name of one person they want to thank God for, who has been a great support or help to them.

**Finding out about England, Wales and Northern Ireland Game:** Use the template to cut out and make the spinner and coloured counters, then use the spinner to move around and explore our countries! There are so many facts for you to find out as you travel! *Read out the facts that match the numbers!*

#### **Interesting facts of England, Wales and Northern Ireland (to accompany the Game)**
